
We are currently seeking talented and experienced individuals to join our Vancouver office.

We are looking for talented designers to join our growing Vancouver office. Successful candidates will be given the opportunity to apply their experience and ingenuity to our diverse project portfolio, including sport, community, commercial and multi-family residential projects. To see our current work please visit: faulknerbrowns.com

Role qualities and skills required:

- Quality-driven in all aspects of work – drawings, renders, presentations, construction documentation and site administration
- LEED AP/Passive House Designer certification considered an asset
- Proficiency with Revit, Adobe CC and Enscape considered an asset
- European and/or International Experience considered an asset
- Experience in Sport, Recreation and other community building typologies considered an asset

We offer financial support and in-house mentoring for registration through the AIBC.

Please email your resume with cover letter and work samples in PDF format to careers@faulknerbrowns.com, for attention of Vancouver Office.

FaulknerBrowns is an equal opportunity employer and committed to eliminating discrimination and promoting equality and diversity in its own policies, practices and procedures and in those areas in which it has influence. The Practice recognises the benefits of having a diverse workforce and will take steps to ensure that we recruit from a wide pool of candidates and employment opportunities are open and accessible to all on the basis of their individual qualities and personal merit.
