
We are currently seeking talented and enthusiastic individuals to join our new downtown Vancouver studio.

We are looking for designers with working experience in the design and delivery of complex buildings to join our growing team. Successful candidates will be given the opportunity to apply their knowledge and ingenuity to our diverse project portfolio, including sport, community, commercial and multi-family residential projects. To see our current work please visit faulknerbrowns.com.

Role qualities and skills required:

- Ability to work closely with the team members to develop a clear conceptual and delivery-focused design agenda for one or more core projects at all phases of development
- Ability to understand and formulate design decisions and present internally and externally for discussion
- Excellent organizational and communication skills
- Ability to work well under pressure and meet deadlines efficiently
- Able to demonstrate initiative and a proactive approach to daily tasks
- Flexible attitude
- Strategic and critical thinking
- Good interpersonal skills
- Able to work independently and as part of an effective team
- Self-motivated
- Quality-driven in all aspects of work – drawings, renders, presentations, construction documentation and site administration
- LEED AP/Passive House Designer certification would be an asset
- Proficiency with Revit and Adobe CC would be an asset

Please email your resume with cover letter and work samples in PDF format to careers@faulknerbrowns.com, for the attention of Kate Busby, FaulknerBrowns Vancouver. Qualified applicants will be contacted. No phone calls or drop-ins please.

We are an equal opportunities employer.
