We are currently seeking a talented Urban Designer/ masterplanner with 8 + years experience who holds a strong design portfolio to complement our design teams based in Newcastle.

We are recognised for our work in architectural design and placemaking. Our live portfolio of work is diverse in scale, complex in uses, and varied in context. Our buildings and places are imaginative, exciting and firmly rooted in their locale, inspiring those who encounter them to live well and do better.

Currently we have a number of exciting large-scale mixed use and sport masterplans across the UK & Europe.

Role qualities and skills required:

- A degree in urban planning, architecture or landscape architecture and an MA in urban design (or equivalent)
- Responsible for the development of diverse masterplans, urban design, placemaking and public realm projects across multiple locations in the UK and internationally
- Leading design teams and liaising with outside agencies.
- International project experience working across sustainable masterplans and urban quarters.
- A passion for design and the ability to thrive in a fast-paced working environment requiring you to demonstrate initiative, creativity, integrity and self-sufficiency
- Result-driven personality, capable of coordinating and leading projects with limited supervision
- Assisting in the design of projects to achieve high quality architectural and technical solutions supported by thorough research, utilising office resources and established programming, planning and QA procedures.
- Working across multiple digital communications tools.
- Achieving appropriate oral and written communication skills.
- Representing FaulknerBrowns in a responsible manner.
